

CIRRICULUM VITAE

1. **Name** : Aslıhan ALDIŞ
2. **Date of Birth** : 01.04.1985
3. **Academic Rank** : PhD Student
4. **Academic Degrees** :

Degree	Field	University	Year
BA	Architecture	Eastern Mediterenian University	2007
MSc	Building Rehabilitation	University of Greenwich	2011

5. **Professional Degree:** Lecturer at Architecture Faculty in GAU (2012-)
6. **Management and supported thesis of MSc and PhD**
 - 6.1 **MSc Thesis**
Impact of Restoration on the Socio-Economy and Environment of North Cyprus
 - 6.2 **Phd Thesis**
7. **Publications**
 - 7.1 **Published Articels at International Journals (SCI&SSCI&Arts and Humanities)**
 - 7.2 **Published Articels at Other International Journals**
 - 7.3. **Papers published in proceedings of international congresses**
 - 7.4. **Books or book chapters**
 - 7.5. **Articles in academic journals**
 - 7.6 **Represented Articles at Nationals Conference**
 - 7.7. **Other publications**
8. **Projects**

24-28 December 2012, Recycle Christmas Trees Exhibition

September 2013, III. Education Congress, KTMMOB Chamber of Architects, Internship Committee work group
9. **Administrative Duties**
10. **Affiliations**

Member of Chamber of Architects of North Cyprus
11. **Grants**

12. Courses taught in past three academic years

Academic Year	Semester	Course	Weekly Hours		Number of Students
			Theoretical	Application	
2011-2012	Spring (GAU)	Architectural Design Studio I (Architecture Students)	3	4	18
		Construction & Materials I (Architecture & Interior Design Students)	2	2	134
		Construction & Materials III (Architecture Students)	2	2	57
		Principles of Building Mechanical Systems (Architecture Students)	3	0	60
	Summer (GAU)	Construction & Materials II (Architecture & Interior Design Students)	2	2	29
		Construction & Materials III (Architecture Students)	2	2	15
		Restoration (Architecture & Interior Design Students)	2	0	14
		Principles of Building Mechanical Systems (Architecture Students)	3	0	1
2012-2013	Fall (GAU)	Building Technology I: Materials & Methods (Architecture & Interior Design Students)	3	0	83
		Construction & Materials I (Architecture & Interior Design Students)	2	2	19
		Construction & Materials II (Architecture & Interior Design Students)	2	2	76
		Basic Design II (Architecture Students)	3	4	35
		Introduction to Architectural Design Studio (Architecture Students)	3	4	2
		Architectural Design Studio I (Architecture Students)	3	6	40
		February Singapore (GAU)	Building Technology (Architecture Students)	3	0
	Interior Detailing (Architecture Students)		3	0	4
	Principles of Building Mechanical Systems (Architecture Students)		3	0	12
	Ecological Architecture (Architecture Students)		3	0	7

2012-2013	Spring (GAU)	Building Technology I: Materials & Methods (Architecture & Interior Design Students)	3	0	48
		Construction & Materials I (Architecture & Interior Design Students)	2	2	36
		Building Technology II: Structural Elements (Architecture & Interior Design Students)	3	0	63
		Construction & Materials III (Architecture Students)	1	2	59
		Introduction to Architectural Design Studio (Architecture Students)	3	4	25
	Summer (GAU)	Building Technology I: Materials & Methods (Architecture & Interior Design Students)	3	0	10
		Construction & Materials I (Architecture & Interior Design Students)	2	2	18
		Building Technology II: Structural Elements (Architecture & Interior Design Students)	3	0	19
		Construction & Materials II (Architecture & Interior Design Students)	2	2	25
		Construction & Materials III (Architecture Students)	1	2	19
